\*Students are encouraged to meet with the major advisor to develop an academic plan because the CMMU major is organized around a sequential course curriculum. Satisfactory completion of CMMU 10 and 1 topical course are required to declare the major. The major advisor can be reached at communitystudies@uccs.edu or via SlugSuccess.

\*Please note that topical courses taught by affiliate faculty may have additional enrollment restrictions, while you can request a permission code to enroll, it is not a guarantee that you will be given one. You should also have alternate plans in case you are not able to enroll in your 1st or 2nd choice of topical courses.

\*\*Included here are approved topical courses that have been tentatively scheduled for 2023-24. The Program Director also may approve other upper division courses by petition. **PLEASE NOTE: Course Offerings are subject to change.**
