

Community Studies Directed Electives 2015-16

Two directed electives must be taken, one each in the areas of 1) race, class and privilege; and 2) regional or historical background. Students must satisfactorily complete both of the directed electives before leaving for their field study.

Note: Course offerings subject to change; please check quarterly Schedule of Classes. Also note that some courses may have prerequisites; please check with instructor for eligibility to enroll and confirm GE designations.
